AFFILIATE GROUP

## **Tank Connection Parsons, KS**

*Bolted RTP construction  
Field-weld construction  
Hybrid construction*

## **BOSS Tank Oswego, KS**

*Bolted RTP construction  
Shop-weld construction*

## **ATEC Steel Baxter Springs, KS**

*Field-weld construction  
Shop-weld construction*

**Ground Reservoirs  
Elevated Water Tanks  
Standpipes  
Wastewater Treatment**

Tank Connection is the only tank supplier that designs, manufactures and installs all four types of steel storage tanks including RTP, field-weld, shop-weld and hybrid tank designs for potable water storage. Our precision RTP (rolled, tapered panel) construction is the #1 bolted tank design selected worldwide.

### **POTABLE WATER & WASTEWATER STORAGE**

Tank Connection offers the best water containment systems available. TC's proprietary LIQ Fusion 7000 FBE™ coating system is NSF 61-approved and is unmatched in performance. LIQ Fusion 7000 FBE™ is a stronger system than "porcelain enamel/glass" for potable water and wastewater storage applications. Get the facts on liquid storage at one of our websites. Download our "quick specs" at [www.liquidtanks.com](http://www.liquidtanks.com) for ground reservoirs, elevated water tanks and for all types of steel tank construction.
